

# OUR PRODUCT RANGE

## D-CODER

**D-CODER RANGE** Top 8, Top 14, Top 15  
The Interactive granular fertilizer

Patented complex that protects and mobilizes nutrients in the soil. Stimulates optimal crop growth.

## PHYSIOLITH

**PHYSIOLITH**  
Soil conditioner

Soil conditioner that activates the absorption of calcium which fosters the root development of young plants.

## TOP-PHOS

**TOP-PHOS**

Next level in protected phosphorus

Unique chemical form of phosphorus compared to standard P fertilizers. Phosphorus uptake is improved in both acidic and alkaline soils.

## SULFAMMO

**SULFAMMO**

An innovation in Nitrogen fertilizer

Sulfammo is a nitrogen rich composite fertilizer with our patented N-Pro Complex to improve crop protein production.

## FERTIACTYL®

**FERTIACTYL GZ**

Crop establishment

Line of liquid root Bio-stimulants encourages root development and fertilizing elements absorption and protection.

## FERTILEADER®

**FERTILEADER GOLD, KALEO**

Managing stress

Combinations of highly available nutrients and our patented Seactiv™ Complex.

## MAXIFRUIT®

**MAXIFRUIT**

Maximum fruit set

High analysis NPK solution with trace elements, for flowering & fruit filling. The NMX specificity in Maxifruit is what makes this possible.

**SPECIFIC WATER-SOLUBLE RANGE**

KSC1 -IV, KSC Mix, KSC ADUR

Driving growth with specialized nutrition

Water-soluble fertilizers are a combination of high-quality, low salt nutrients and our patented Phytactyl Complex. They are for fertigation or hydroponics in intensive crop production.

## Calsea mag+

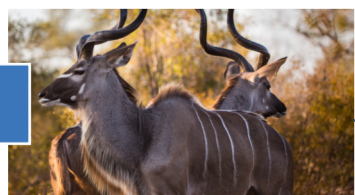

**CALSEAMAG+**

Supports immunity and fertility

10% magnesium balanced with calcium in a highly palatable form to provide supplementary magnesium to meet animal requirements.

## Calsea fibre+

**CALSEAFIBRE+**

Optimizes feed efficiency

Improves dry-veld utilization. Contains fibre-digestion complex consisting of Amaferm, brewer's yeast and essential oils to boost fiber digestion.

## Calsea zinc+

**CALSEAZINC+**

Rumen-protected antioxidants and zinc chelate

Zinc + iodine, cobalt and selenium to help avoid setbacks and improve foot and skin condition.

IN ASSOCIATION WITH

TLU member discount:

Product Category	Member Discount
Granular	3.5%
Liquids	8.0%
KSC (Water Soluble)	5.0%
Animal Nutrition	4.0%

Please give your valid TLU membership number to your Timac AGRO sales representative at the time of placing an order or opening/updating your customer account.

Every signed Sales Order must include the TLU membership number in order to qualify for the special discount.
